## RAGBOS STATS - March 2018

\*\*Please be advised that the data collection methodology for statistics in our releases has changed (as of Dec. 2017) and historical revisions to the data have been applied. Data collection for reports prior to December 2017 was based solely on sales & listings from Members of RAGBOS. Data collection is now currently based on sales and listings in the Grey Bruce Owen Sound (and part of Wellington) regions and incorporates any historical revisions. This provides a more accurate representation of market trends in the region. Stats are reliable but not guaranteed.
