*The data collection methodology for statistics in our releases has changed (moved to a new MLS® system) and historical revisions to the data have been applied. Data collection for reports prior to December 2017 was based solely on sales and listings from Members of RAGBOS. Data collection for the December 2017 report and onward is based on sales and listings in the Grey Bruce Owen Sound region, and incorporates any historical revisions. This provides a more accurate representation of market trends in the region. Stats are reliable but not guaranteed.
